CABOOLTURE and ENVIRONS

Caboolture is one of the fastest growing areas in Queensland and is located 45km from the heart of Brisbane. Our Consultants live locally, on Bribie Island, the Sunshine Coast and Brisbane. Local Attractions include:

- Every imaginable beach activity
- Noosa resort and café lifestyle only 1 hour away.
- Folk, medieval and country music festivals
- Maleny/Montville: cafes, art, alternative shops
- Glasshouse Mountains: climbing, hiking, 4WD, camping
- Airfield: helicopters, ballooning, skydiving, gliding, vintage aircraft

ABOUT THE DEPARTMENT

Opportunity Join an enthusiastic, cohesive team with a commitment to the ongoing development of our department.

Department The case mix is interesting and broad in acuity, with 25% paediatrics. We currently see 42,000 presentations a year, with 25% admissions, and growth of >5% per annum. The department has a keen interest in toxicology, ultrasound, innovation and education.

Staff We currently have 10 consultants (8 FACEMS) and need two more. Our team includes 16 registrars and 15 junior doctor positions. We have a full time staff educator nurse facilitator, 2 nurse practitioners, and of course a full team of experienced nursing staff. The department has ACEM accreditation for 12 months advanced training.

Remuneration The Queensland Health salary Package is amongst the most attractive in Australasia, totalling over \$350,000 with 5 weeks annual leave and 3.5 weeks of professional development leave.
