REGISTRAR / PHO POSITIONS - 2011

CABOOLTURE and ENVIRONS

Caboolture is one of the fastest growing areas in Queensland and is located 45km from the heart of Brisbane. Our Doctors live locally, on Bribie Island, the Sunshine Coast and Brisbane. Local Attractions include:

- Every imaginable beach activity
- Noosa resort and cafés only 1 hour away.
- Folk, medieval and country music festivals
- Maleny/Montville: cafes, art, alternative shops
- Glasshouse Mountains: climbing, hiking, 4WD, camping
- Airfield: helicopters, ballooning, skydiving, gliding, vintage aircraft

ABOUT THE DEPARTMENT

Opportunity Join an enthusiastic, cohesive team with a commitment to the ongoing development of our department.

Department The case mix is interesting and broad in acuity, with 25% paediatrics. We currently see 42,000 presentations a year, with 25% admissions, and growth of >5% per annum. The department has a keen interest in toxicology, ultrasound, innovation and education.

Staff Our department has 17 Registrar/PHOs, 10 consultants (9 FACEMs) and 15 junior doctor positions. We have a full time staff educator nurse facilitator, 2 nurse practitioners, and of course a full team of experienced nursing staff.

Remuneration Registrars (depending on level of experience) average approx \$140,000 per year including base salary, overtime salary packaging and penalties. We also provide 6 wks of annual leave and 1 week PDL and \$1500 vocational training subsidy.

Training The department has ACEM accreditation for 12 months training and offers fantastic training opportunities:

- Protected teaching/education sessions every week
- Formal primary and Fellowship preparation programs
- Rotations in Anaesthetics, ICU, Paeds, Psych & Medicine.
- An interest in toxicology and ultrasound
- Provide a hands on supportive environment
