

FAIRFIELD HOSPITAL

Fairfield Hospital is located at the corner of Prairievale Rd and Polding St, Prairiewood NSW 2176.

Director of Emergency Medicine (Full Time) Staff Specialist or Sessional VMO Contract

Fairfield Hospital is a major metropolitan hospital that provides 24hr emergency care, heart care, dialysis, maternity, paediatrics, comprehensive medical/surgical care and a variety of outpatient services.

Fairfield Hospital is acknowledged for its commitment in improving patient outcomes and patient flow and has been awarded "Most Improved Performance" for 2006/2007 and "Best Hospital Performance" for 2007/2008 in the Major Metropolitan Hospitals Group, by NSW Health at the State Health Awards.

Each year Fairfield Hospital admits over 16,000 patients and provides emergency/outpatient care to over 100,000 patients. We have approximately 234 beds and a range of staff dedicated to providing the best possible care and service.

Fairfield Hospital has one of the best performing ED's in the state according to the NSW Health Emergency KPI's.

Applications are invited from medical practitioners registered in NSW for the position of Director of Emergency Medicine.
