

Government of South Australia

SA Health

Senior Consultant - Emergency Department

- **Mt Gambier & Districts Health Service**
- **Indicative Total Remuneration: \$319,102 - \$413,871 – Perm F/T – MD2**

Joining the Mount Gambier & Districts Health Service, you will provide clinical expertise in the Emergency Department. This will include the oversight and management of patients and medical officers, as well as providing clinical leadership in the care of ED patients. Supervising the clinical practices of junior medical staff, you will actively engage in the education of all health staff affiliated with the service. You will also participate in Continuous Quality Improvement activities, including clinical audit. Mount Gambier & Districts Health Service is the largest hospital in rural South Australia and has been identified in the Government's 'Plan for Country Health' as one of the four general hospital's which will provide treatment for country people closer to home. The South East Region of South Australia offers a range of wonderful experiences, visit these websites for more information: www.mountgambiertourism.com.au www.thelimestonecoast.com Mount Gambier is a large regional city which offers a high level of facilities and services for both families and individuals.

You will have Fellowship of the Australian College of Emergency Medicine (ACEM) or an equivalent specialist qualification suitable for supervision of trainees of the at College, or you will be a Fellow of the Australian College of Rural and Remote Medicine (ACRRM) or the Royal Australian College of General Practitioners (RACGP). With experience in contemporary ED practice and procedures, you will be capable of providing team leadership and contributing to the supervision of junior colleagues. Prior experience working within a multidisciplinary team will be highly advantageous. Job Ref: 498381.

Applications close Friday, 13 January 2012.
