

SA Health Emergency Medicine

Career and lifestyle –
an opportunity too good to miss

SA Health

SA Health Emergency Medicine

Combine a rewarding and challenging career in emergency medicine with wonderful lifestyle opportunities.

- > Opportunities continue to exist for Consultants and Senior Medical Officers in the central and northern sites of Modbury, The Queen Elizabeth Hospital and Lyell McEwin Hospital and new opportunities for Consultants have been identified in our southern sites including Flinders Medical Centre and Noarlunga Health Service Campuses of the Adelaide Health Service.
- > South Australia's emergency departments will provide you with an opportunity to engage in retrieval, trauma care, paediatrics and community-based emergency medicine.
- > SA Offers competitive remuneration packages including an attraction and retention allowance and access to outstanding professional development allowances.
- > Total Indicative Packages as of 14 April 2010:
Consultants: \$332,500 - \$431,525
Snr Medical Practitioner: \$138,040 - \$168,896
