

**An exciting future  
yours & ours**

## ***Emergency Medical Specialists (2.0 FTE)***

**(Permanent and Fixed Term roles considered)**

**Waitemata District Health Board, Takapuna, New Zealand**

Waitemata DHB is the largest DHB in the country serving a rapidly growing population of 560,000 in the North and North West of the Auckland region. It operates two Emergency Departments. North Shore Hospital a Level 5 ED and Waitakere Hospital a Level 3 ED.

Emergency Medicine, under new management, is undergoing exciting transformation in the Waitemata DHB. This recruitment is to fill positions into an expanded workforce for increased services in both Departments. This includes a new state-of-the-art facility at North Shore Hospital to be commissioned in July 2011. There is a strong focus to meet the current New Zealand Ministry of Health National ED six hour length of stay target.

Emergency Departments across both sites receive attendances of 80,000 patients annually. Recruitment into these positions will bring the total number of Specialists to 24, who provide cover across both hospitals. The North Shore site is recognised by ACEM for advanced training for a period of 12 months. Both Departments are supported by comprehensive Diagnostic and Allied Health Services.

Successful applicants will work in a very friendly and supportive environment. The salary is based on the NZ ASMS MECA award.

Interested applicants must comply with the following:

- Possess a Medical Degree registrable with Medical Council of New Zealand
- Have the Fellowship of the Australasian College for Emergency Medicine or a similar higher training qualification eligible for vocational registration with the Medical Council of New Zealand
- Non New Zealand and Australian citizens/residents must satisfy conditions for immigration to New Zealand
